Something in me, dark and sticky  
All the time it's getting strong  
No way of dealing with this feeling  
Can't go on like this too long

[Chorus:]

This time you've gone too far [x3]  
I told you [x4]  
This time you've gone too far [x3]  
I told you [x4]

Don't talk back  
Just drive the car  
Shut your mouth  
I know what you are  
Don't say nothing  
Keep your hands on the wheel  
Don't turn around  
This is for real  
Digging in the dirt  
Stay with me, I need support  
I'm digging in the dirt  
To find the places I've been hurt  
Open up the places I've been hurt

The more I look, the more I find  
As I close on in, I get so blind  
I feel it in my head, I feel it in my toes  
I feel it in my sex, that's the place it goes

[Chorus]

I'm digging in the dirt  
Stay with me I need support  
I'm digging in the dirt  
To find the places I've been hurt  
To open up the places I've been hurt

Digging in the dirt  
To find the places we've been hurt  
[X7]
