

Built For Speed **"Explaining The Obvious"**

Visit "[Explaining The Obvious](#)" on MotoLyrics.com

What we discover when truth is uncovered
Is nothing is black or white
Lips can reveal or conceal just depending
On whose lips are sewn up tight

Say what you want about us
Cause in good time
The truth becomes obvious
And you explain it away again
What they say you were
Is clear to us
Your "half-truth" is just a lie
Explaining the obvious

I heard you say that it's all how you spin it
You can make a lie come true
What you really mean is I'll get you my pretty
And your little yogo too
