I heard what I said to you,  
And it was so out of sync  
With the way I wanted to  
I don't like this air,  
Make myself out to seem.  
But that doesn't mean I'll stop breathing it,  
Who doesn't think they're at the centre of the universe  
being it?

Just keep watching your TV,  
Don't look now,  
Hating what's to see,

Waiting for someone to say something that's RIGHT!  
Thought it was all understood,  
I heard what I said to you,  
I don't like this air,  
But I wasn't getting through,  
I'd go on if I could.  
But that doesn't mean I'll stop breathing it,

Who doesn't think they're at the centre of the universe  
being it?  
Just keep watching your TV,  
Hating what's to see,  
Don't look now,  
Waiting for someone to say something that's RIGHT
