I do what I do 'cause I want to
It seems I've got it so
I've got it so figured out

I do what I do 'cause I want to
It seems I've got it so
I've got it so figured out

Take a walk to the seashore
I sing a song for myself
Writing tunes for the hopeless
'Cause I'm gonna be here
Yes, I'm gonna be here

Drama inside
We're gonna stay here with
Drama inside
It's coming to get us and
We're taking it slow here and
There's an awful lot to do

We do what we do when we need to

I know we got it so
We got it so figured out

But we take what we need when we got to
It seems we got it so
We got it so figured out

Take a walk to the seashore
I sing a song for myself
Writing tunes for the hopeless
'Cause I'm gonna be here
Yes, I'm gonna be here

Drama inside
We're gonna stay here with
Drama inside
It's coming to get us and
We're taking it slow here and

There's an awful lot to do
