He's more farce than fodder  
He's more of a dog than dogs are  
It depends were just dots and commas  
It'd still say you got one on us  
There's no reason for it  
Don't despise an don't adore it  
It's just a habit  
It's just a habit i formed

This ones a super sonic  
This ones got too much on it  
This ones off free  
This ones him free  
There's no reason for it  
Don't despise it and don't adore it  
Its just a habit  
It's just a habit

This is what i hear, I'll send corrections if need be
