I wouldn't be a liar
No i wouldn't be a liar if i told you that
I wouldn't be a liar

When things are all you think of
And plans are all you make
And thoughts are all you dream of
Your falls are all you take
Look out the world's destroying ya
Relax it isn't fair
Mother natures disposition
She don't mind she don't care
She don't mind she don't care

And I wouldn't be a liar
No i wouldn't be a liar if I told you that
I wouldn't be a liar

Passing over, passions pour, passing everything

I wouldn't be a liar
No I wouldn't be a liar if I told you that

It takes up all of your life
These decisions you make
It takes up all of a day
Making them all

Well i sat on the patio
While the pianos were being tuned
Forget about it all for a little while
She don't mind she don't care
She don't mind she don't care
She don't mind she don't care

And I wouldn't be a liar
No I wouldn't be a liar if I told you that
I wouldn't be a liar

You see it seems minor to me
You see it seems minor to me

You see it seems minor to me
You see it seems minor
