Don't forget that summer dress
You know the one you wore.
When you returned
From london school of economics.
I remember,
Even the books you'd bought second hand.

Look back,
Things where so easy.
Look back,
We had hopes and we had dreams.
Look back

Even though we look the way,

We always did before.
I know there can not be a new,
Very first time.
Call me nostalgic,
I never said it was bad or worse.

Look back,
Things where so easy.
Look back,
We had hopes and we had dreams.
Look back,
We lived normal lives,
And we never missed out on anything.
