Sometimes i just want to cry
Blowing that you'll say goodbye
We cannot scape from being told here*
And again feeling tones
The girl will always ask you why
Though they think they're cool
I am kind of
I just wrap my arms around you
Cause i dont know what to do
Ua-a-a-a-ou

Say yes if you love me, no if you dont care
Please say if you're asking me that you'll be there
Say yes if you love me, no if you dont care
Please if you're asking me not yo be there

Bararara, bararara, bararara baba-barara

Sometimes i dont want to try
Summer days will pass us by
Makes me kind of sad
This oh certainty
Here i am christians again
Asking if you're still my friend
When you said you'd stay
I wasn't have that
I hope you're thinking about me daily
I hope that there's no doubt
Ua-a-a-a-ou

Say yes if you love me, no if you dont care
Please say if you're asking me not to be there
Say yes if you love me, no if you dont care
Please if you're asking me not to be there

Bararara, bararara, bararara baba-barara

There's a certain kind of sadness
There's a certain kind of joy
With everything you're doing
Ua-a-a-a-a

Say yes if you love me, no if you dont care
Please say if you're asking me not to be there
Say yes if you love me, no if you dont care
Please if you're asking me not to be there

Bararara, bararara, bararara baba-barara
Bararara, bararara, bararara baba-barara

Clap clap clap hahaha uh! uh!
