Put your hands together

Put your hands together

It's time to get together
It's time to get on the winning side

Get your shit together
Get your shit together

Put your hands together
Or put your hands behind your back
I know I belong
I'm sick and I'm wrong

What does that make you

I know I belong

I'm sick and I'm wrong

What does that make you we've been telling you
And warning you what's right and good

Share our perfect opinion: It's the ideal ideal

Get your shit together

You better get your shit together
Put your hands together

Or put your hands behind your back

I know I belong

I'm sick and I'm wrong

What does that make you
I know I belong

I'm sick and I'm wrong

What does that make you

I know I belong
I'm sick and I'm wrong

What does that make--

I don't know where I be-long but

I know I belong I'm sick and I'm wrong

What does that make you
