you're a fool for everything  
I'm a fool for not thinking that things would turn out this  
way  
like to think that you're immune to the stuff  
it's closer to the truth to say you're full of shit  
you're gonna have to face it  
so & so he has a job  
gets up at a certain time goes to a certain place  
takes a lot of pride in his work  
it's not what he would choose to do  
just does it for the money and the opportunity  
so & so so & so from wherever wherever  
so & so so & so from wherever wherever  
so & so so & so from wherever wherever  
so & so so & so from wherever wherever more or less a  
waste of flesh  
you're so insecure you probably think this song's about  
you  
don't be so hard on yourself  
there's plenty of flesh to go around  
besides it's not like you are not using it  
and who is who to say what flesh should do  
and who should have it for that use  
so & so so & so from wherever wherever  
so & so so & so from wherever wherever  
so & so so & so from wherever wherever  
so & so so & so from wherever wherever  
wherever (15x)
