Am I a man or a machine?
I've learnt how to dream
With a conscious part of me
Nothing, nothings as it seems to be

So who are you to say
This isn't like yesterday (like yesterday)
Test my non-existent heart
My chest was empty from the start
I'm breaking apart

Let me take control
Control of past mistakes
My conscience lies in wake
When does this personality
Become the engine that is me
I've learnt from what I know

So who are you to say
This isn't like yesterday (like yesterday)
Test my non-existent heart
My chest was empty from the start
I'm breaking apart

I never had a say
In the way that I've been made
I never learnt a way to see the difference in my days
No longer do I feel constrained
I've recognised my humanity (x2)

So who are you to say
This isn't like yesterday (like yesterday)
Test my non-existent heart
My chest was empty from the start
I'm breaking apart

I'm breaking apart!
I'm breaking apart!
I'm breaking apart!
I'm breaking apart!
I'm breaking apart!
I'm breaking apart!
