Look for your face,  
In the bathroom mirror.  
Look for your name,  
On the front door sign.

Call me insane,  
That's because you drive me.

That first summer,  
With that postcard traces.  
That first week,  
Standing by the phone.

Call me insane,  
That's because you drive me.

It takes a lot of walking,  
To get to know you.  
It takes a lot of talking,  
To see through you.  
It takes a lot of walking by your side too, tooo

I've kept my room,  
In perfect order.  
I've kept your keys,  
Where you left them.

Call me insane,  
That's because you drive me

That last goodbye,  
Still know how you phrased it.  
That last look,  
I still felt love.

Call me insane,  
That's because you drive me.

It takes a lot of walking,  
To get to know you.  
It takes a lot of talking,

To see thru you.  
It takes a lot of walking by your side tooo, tooo
