Now I'm a little shy  
I like to stay homeo  
Shakespear's my guy  
Julie and Romeo

Now I have found a girl so dear  
She cares not if Will he war queer  
Who cares not if Hammy made it with his Ma?

To be or not to be my lover

To me there could not be another  
To be or not to be's my plea  
It's as you like it you know  
To me there could not be another  
In hardback or in paper cover  
To be or not to be's my plea

Some like the sun  
They'd be a Barbadian  
We think it's fun  
Here in Stratford-on-Avion  
Kids go to a disco show  
We stay and praise Malvolio  
Who cares if Will  
He dressed his guys as chicks?

To be or not to be my lover

...

We are a couplet heaven knows  
Undo my doublet baby  
And I'll undo your hose

To be or not to be my lover  
It's as you like it you know.
