Once more I'll say goodbye to you;
Things happen but we don't really know why
If it's supposed to be like this, why do most of us ignore
the chance to miss?

Oh yeah

Torn apart at the seams and my dreams turn to tears;
I'm not feeling this situation
Run away try to find that safe place you can hide
It's the best place to be when you're feeling like...

Me (Me)
Yeah (Yeah)
All these things I hate revolve around
Me (Me)
Yeah (Yeah)
Just back off before I snap

Once more you tell those lies to me;
Why can't you just be straight up with honesty?
When you say those things in my ear,
Why do you always tell me what you wanna hear?

Oh yeah

Wear your heart on your sleeve, make things hard to
believe, I'm not feeling this situation
Run away try to find that safe place you can hide
It's the best place to be when you're feeling like...

Me (Me)
Yeah (Yeah)
All these things I hate revolve around
Me (Me)
Yeah (Yeah)
Just back off before I snap,
And you'll see (Me)
Me (Me)
All these things I hate revolve around
Me (Me)

Now (Now)
Just back off before I snap...

Torn apart at the seams and my dreams turn to tears,
I'm not feeling this situation
Run away, try to find that safe place you can hide
It's the best place to be when you're feeling like me
It's the best place to be when you're...

Me (Me)
Yeah (Yeah)
All these things I hate revolve around
Me (Me)
Yeah (Yeah)
Just back off before I snap,
And you'll see (Me)
Me (Me)
All these things I hate revolve around
Me (Me)
Now (Now)
Just back off before I snap
