Can you hear the thunder?  
Can you feel the rain, it pours,  
Nail down all your windows  
And barricade the doors  
Mother nature's fury takes you by the hand  
Showing all but mercy  
Wreaking death upon the land

Go!

Caught in the eye of the storm  
Did the heaven just open and fall?  
We are caught in the eye of the storm  
All that's left are just bodies to mourn

Can you see the lightning?  
Can you feel the wind, it soars  
Pack up your belongings, let chaos take control  
(Take control! )  
Mother nature's fury takes you by the hand  
Rip this world to pieces  
Bid farewell to all you know

Go!

Caught in the eye of the storm  
Did the heavens just open and fall?  
We are caught in the eye of the storm  
All that's left are just bodies to mourn

Yeah!

Caught in the eye of the storm  
Caught in the eye of the storm  
Caught in the eye of the storm

Can you hear the thunder?  
Can you feel the rain, it pours  
Melt down all your windows  
That barricade the doors  
Mother nature's fury takes you by the hand

Showing all but mercy  
Wreaking death upon the land

Go!

Caught in the eye of the storm  
Did the heaven just open and fall?  
We are caught in the eye of the storm  
All that's left are just bodies to mourn

To mourn!
