There goes my valentine again  
Soaked in red for what she said  
And now she's gone

Oh my god have I done it again  
There's a pulse and it's deafening.  
I can't help what I hear in my head  
It's the switch and I flick (it says)

Hand of blood, I don't wanna feel, my heart is breaking  
Hand of blood, I don't wanna see, my life is burning

I saw you look away  
Is what you've seen too much to take  
Or are you blind and seeing nothing, I saw you run  
I saw you run away  
Is what I've done too much to take or are you scared of  
being nothing

There's a stain on my hand and it's red  
Oh my god am I losing it  
I can't help what I've done or I said  
It's the button I push (and it says)

Hand of blood, I don't wanna feel, my heart is breaking  
Hand of blood, I don't wanna see, my life is burning

I saw you look away  
Is what you've seen too much to take,  
Or are you blind and seeing nothing, I saw you run  
I saw you run away,  
Is what I've done too much to take or are you scared of  
being nothing

I saw you look away  
Is what you've seen too much to take,  
Or are you blind and seeing nothing, I saw you run,  
I saw you run away,  
Is what I've done too much to take or are you scared of  
being nothing
