I can't believe what I've seen  
So scratch my eyes out  
You were at ease on your knees in his apartment  
You said his name as I came in your direction  
Now I can choose what to do with both of you

I loved you (I hate you)  
You hurt me (I love you)  
I loved you, you hurt me bad, go

Your words, bury me of what I used to be  
I can't erase all those things I've seen  
Your heart smothers me, now it's hard to breathe  
I can't erase all my memories

I take a step to the left, now you see me  
Tears start to fall as you crawl in his apartment  
You screamed his name as I came in your direction  
Fists start to fly, say goodbye there's no excuses

I loved you (I hate you)  
You hurt me (I love you)  
I loved you, you hurt me bad, go

Your words, bury me of what I used to be  
I can't erase all those things I've seen  
Your heart smothers me, now it's hard to breathe  
I can't erase all my memories

Whoa, oh, oh  
Whoa, oh, oh  
Whoa, oh, oh  
Whoa, oh, oh

Get up  
Hey, there's no excuses  
Hey  
Hey, there's no excuses  
Hey

I loved you (I hate you)

You hurt me (I love you)  
I loved you, you hurt me bad, go

Your words, bury me of what I used to be  
I can't erase all those things I've seen  
Your heart smothers me, now it's hard to breathe  
I can't erase all my memories  
Erase all my memories of you
