Oh!

2, 3, 4

[Verse 1]

Helpless,
My eyes are bleeding from the fear that's inside,
You sealed your demise when you took what was mine,
Don't try to stop me from avenging this world,
No voice to be heard

[Chorus]

Waking The Demon,
Where'd ya run to?
Walking in shadows,
Watch the blood flow,
There's not much longer, so don't try and fight,
Your bodies weakening, Walk to the light,
Those painful times so alone so ashamed,
I'm not coming back there's nothing to gain

[Verse 2]

Caution,
There's just no limits to the boundaries you push
I warned you but still you just f**k with my mind,
There's no escape from this rage that I feel,
Nothing is real,

[Chorus]

Waking The Demon,
Where'd ya run to?
Walking in shadows,
Watch the blood flow,
There's not much longer, so don't try and fight,
Your bodies weakening, Walk to the light,
Those painful times so alone so ashamed,
I'm not coming back there's nothing to gain

[Breakdown X2]

Breathe for me
Don't wake me from this slumber.

Stay With me
Possession taking over

[Solo Lead-in]
Whoa!
Tread!

[Breakdown X2]
Breathe for me
Don't wake me from this slumber.
Stay With me
Possession taking over

[Outro]
Waking The Demon!
