Got the power, I got the kiss
This will be monsters running in here
Never surrender, never pull out
I can't go through it, now I'm tied to it down

Full pull
Full, full pull
Full pull
Full, full pull

Unsuspecting, out on the road
Don't chill, await your fun
I'll be the agent, I'll be the heat
I can't lose, this will be my seat

Full pull
Full, full pull
Full pull
Full, full pull

Full pull
Full pull
Full pull
Full pull

On fire in the night
What's he after? He know that it's right
Got to get ready, got to move on
Burnin' weather 'round of you

Full pull
Full, full pull
Full pull
Full, full pull

Full pull (what we are)
Full pull (I've got to take it)
Full pull (yea)
Full pull (I've got to win)

Full pull

Full pull
Full pull
Wow
