At first I wanted to know you better  
So I started to write you a letter  
But Now Your All GONE!

I wish you didn't die in the first place,  
So we could talk about the case,  
That I love you more than yesterday,  
But right now you lay,

DEAD!, DEAD!

Now I throw Roses on my Valentine's Grave  
On My Valentine's Grave  
On My Valentine's Grave  
Oh how I miss you babe  
How I miss you babe  
How I miss you babe

I wanted to know how it feels like to hug you,  
To love you,  
To KISS you

I hope you know that without you I'm Not OK  
But you must obey  
The laws of life  
So I cut myself with a knife  
Trying to FORGET YOU!

Now I throw Roses on my Valentine's Grave  
On My Valentine's Grave  
On My Valentine's Grave  
Oh how I miss you babe  
How I miss you babe  
How I miss you babe

I am so afraid to keep on living  
I am too afraid to walk this world alone  
Honey if you stay I'll be forgiven  
Somethings you say can stop me going Home

Now I throw Roses on my Valentine's Grave  
On My Valentine's Grave

On My Valentine's Grave  
Oh how I miss you babe  
How I miss you babe  
How I miss you babe  
Now I throw Roses on my Valentine's Grave  
On My Valentine's Grave  
On My Valentine's Grave  
Oh how I miss you babe  
How I miss you babe  
How I miss you babe  
NOW I THROW ROSES ON MY VALENTINE'S  
GRAAAAAVEEEEEEE!
