I know a girl who wants to get laid tonight  
She'll take a hot cross top and suck on everything in  
sight  
With forever running hose  
And a perforated nose  
Her lips around a Lucky Strike  
Smoke is clouding up her eyes  
As she tells another lie  
It's just another goodnight psyche  
Oh no here she comes  
Seeing double and my palms get wet  
Oh no there she goes  
Went in deeper than a man should get  
Meanwhile...  
Back at the ranch there's a vicious fight, ha-ha-ha!  
And Shannon's on a cross top sucking everything in  
sight, woo lord!  
With her razor sharp nails  
And a cat o' nine tails  
She'll make a bishop mean  
Then she'll do it nice and slow  
So you can't come or go  
She'll make a mute man scream, scream, scream,  
scream

Oh no here she comes  
I'm seeing double and my palms get wet  
Oh no there she goes  
I want to be in deeper than a man should get  
Oh no here she comes  
S-seeing d-double and my palms get wet  
Oh no there she goes  
No fucken way, I don't want to kick her yet  
Lines and dreams of dirty sex  
Keeps me going at my best  
There's nothing I can do about it  
It gets me real pissed  
Yeah!  
Oh no here she comes  
I'm seeing double and my palms get wet  
Oh no there she goes  
Went in deeper than a man should get

Oh no here she comes  
I'm seeing double and my palms get wet  
Oh no there she goes  
Who's taken home  
Who's taken home
