Ooh lordy
That's right
You got it, y'all
Me and the men watchin' late night tv
Saw a scary man came on to me
And said hey man
And take my hand
Looky here
I said no, no, no mister please
You can't bring a bad boy to his knees
Got a subtle way to save it out of charm
Shoot the preacher down
Just when I thought that he was dead
Got right back on his feet and this is what he said
Black is bad, white is right
White by day is black by night
Shoot the preacher down
Shoot the preacher down
Ooh such is Heaven, such is Hell
Ain't no vacant lot to buy you some sin

Save our souls for judgement day
Cash your chips, you're on your way
Shoot the preacher down
Shoot the preacher down
Shoot the preacher down
Shoot the preacher down
Oh yes indeed a little negotion
Just touch the boobtube and y'all will be healed
Take my hand
And I'll lead you to the promised land
Oh! Shoot the preacher down
Shoot the preacher down
Shoot the preacher down
Shoot the preacher down
Ow!
Shoot! Shoot!
Yeah hahahaha!
Shoot the preacher down
Oh
Oh
Shoot the preacher down
