We've been living in all this shit!
We've been living in all this shit!
We've been living in all this shit!
We've been living in all this shit!
We've been living in all this shit!
We've been living in all this shit!
We've been living in all this shit!
We're still living in all this shit!
We've been living in all this shit!

We've been living in all this shit!
We've been living in all this shit!
We've been living in all this shit!
We've been living in all this shit!
We've been living in all this shit!
We've been living in all this shit!
We're still living in all this shit
