Oh you
Want me back
I ask
Have you been smokin' crack?
Boo-hoo
I watch you cry
To make love with you
I'd rather puke and die
When you finish talkin' trash
And givin' up that ass
You'll know why
I had to run away high
When the sun sets in the east
And rises in the west
When pigs sprout wings and fly
Then I'll come back to you
Ah-ah-ah, ah-ah
You've lost
All self respect
Your breath
A putrid kiss of death
Pass
No enchant
So if I may
I'll sum it up this way
When you finish talkin' trash
And givin' up that ass

You'll know why
I had to run away high
When the sun sets in the east
And rises in the west
When pigs sprout wings and fly
Then I'll come back to you
I'll come back to you
Come back to you
Come back to you
Sick
Whoa!
When you finish talkin' trash
And givin' up that ass
You'll know why

I had to run away high
When the sun sets in the east
And rises in the west
When pigs sprout wings and fly
Then I'll come back to you
I'll come back to you
Come back to you
Come back to you
When pigs fly, fly
When pigs fly
