(Verse 1)

You can't quite call it a fall until you've lost it all
Why look until tomorrow
Though you keep on counting the cards you still won't
call them all
You push you're cards aside

(Pre chorus)

Look at your face in the mirror
See the scenes gettin clearer
That you'll never stop runnin, why don't you stop runnin
To the place deep inside don't you try to go hide
Cause it won't be there
It won't be there

(Chorus)

Because you just don't care
No reason there
That you'll never stop runnin
Why don't you stop runnin
And its all too clear ill disappear
You stand alone, you're on your own

(Verse 2)

Not free from feelin the fall but I won't leave it all

And keep it all inside
Because you won't say something until its gone then
leave it all
You leave it all behind

(Pre Chorus)

(Chorus)

(Bridge)

Don't back away from confrontation
(Cause it will change around I'll make you see
somehow)
You can't ignore this situation
(You don't get it, no you don't get it, get it)

(Slow bridge)

Because you just don't care, no reasons there
Cause its all too, its all too clear
And its all too clear ill dissappear
Cause you'll never stop runnin
Why don't you stop runnin
(2x)
Because you just don't.. Care

(Chorus)
(End/Refrain)
