You cant stop me
No one can stop me
Destroy you cuz i despise me
Gotta get away, get away, gotta get out

Bring the house down
Down on you
(Bring the house down, bring the house down on
you,bring the house down)

Oh yeah You cant stop me
Dont think your scaring me
Your stop put fear in my brain
Its all over me now

Oh yeah you cant stop me
Dont think your scaring me
Your stop put fear in my brain
Its all over me yeah

Bring the house down
Bring the house down Oh yeah
All our dreams could fall and i dont care
I fall apart our thoughts will fade
Driving myself crazy

Oh yeah you cant stop me
Dont think yuor scaring me
Our stop put fear in my brain
Its all over me now

Yeah Yeah You cant stop me
Dont think your scaring me
Our stop put fear in my brain
Its all over me

I close my eyes are shut
I realize I dont give
F*** you
You cant scare me
This s*** is killing me

Our stop put fear in your brain
Its all over me

?????? You cant stop me
Dont think your scaring me
Our stop put fear in my brain
Its all over me now

Cant stop
Cant stop me
Its all over you
Oh yeah
