Surprise surprise SURPRISE!
They're after you

Three cheers for doing time
it's all a joke

On the run with nowhere to go
'Cause I'm building a legend in slow-mo
Always waiting here for someone to save me
I'll go it alone

Busty livings so dated
Who gives a fuck if I'm hated
Yeah, secrets, lies, look at me
Leave me the fuck alone!
YEAH!!

Come to me like a light on a tower
Red hands breaking through to the other side.

On the run with nowhere to go
'Cause I'm building a legend in slow-mo
Always waiting here for someone to save me
I'll go it alone

Busty livings so dated
I could give a fuck if I'm hated
Yeah, secrets, lies, look at me
Leave me the fuck alone!

YEAH!

Secrets, lies, now look at me
Leave me the fuck alone!

On run with nowhere to go
guess I'm building a legend in slow-mo
Always waitin' here for someone to save me
I'll go it alone
(x2)

Busty livings so dated

I could give a fuck if I'm hated
Yeah, secrets, lies, look at me

On run with nowhere to go

Come to me like a light on a tower
