1...2...1,2,3,4!

Involuntary suicide
I've played for keeps not for the ride
I'd trade my needs for what you know
But I dug my grave a long time ago

Struck Out! Left me dying on the floor
If you know what I mean, I'll be coming back for more

Good times hard times it's all the same
Hopes going up and down the drain
Sink in quicksand to my knees
Rejection's nothing new to me

Struck Out! Left me dying on the floor
If you know what I mean, I'll be coming back for more
Struck Out! Left me dying on the floor
If you know what I mean, I'll be coming back for more

Involuntary suicide
I've played for keeps not for the ride
I'd trade my needs for what you know
But I dug my grave a long time ago

Struck Out! Left me dying on the floor
If you know what I mean, I'll be coming back for more
Struck Out! Left me dying on the floor
If you know what I mean, I'll be coming back for more
If you know what I mean, I'll be coming back for more!
