Hey there girl
look into my world
where im on fire
and im slowly fading
good book says
we will come to sin
marked by blood
will you feel it, feel it

waste away
(and i feel that i)
yeah and, i walked away 3x
waste away
(and i feel that i)
yeah and, i walked away 3x
yeah

up your walls i will surely crawl
and down your rope
i'll be swinging swaying

damn your eyes
rolling by the signs (?)
marked by blood
will you feel it, feel it

waste away
(and i feel that i)
well i walked away 3x
waste away
(and i feel that i)
well i walked away 3x
yeah

well i've been down a long time
to find myself again
back at the beginning
beat and bled
angels just said (?)
(and i feel that i)

waste away

(and i feel that i)
yeah and, i walked away 3x
waste away
(and i feel that i)
yeah and, i walked away 3x
oh yeah

woooaahhhh
