[CHORUS]

I'm a love bug
I'll sting you with my love
I'm a love bug
I'll sting you with my love
I'm a love bug
I'll sting you with my love

Sting you, sting you
Sting you, sting you with my love
Sting you, sting you
Sting you, sting you with my love

Buzz, buzz, buzz...

Sting you, sting you
Sting you, sting you with my love
Sting you, sting you
Sting you, sting you with my love

I'm a love bug, I'm a love bug

[Repeat CHORUS]
