Oh,
Oh,
Oh,
And just another day in the countryside
With a bucket come around with my boots so high
With the sunshine down from my little face
But I know we're not getting in another place
So I say you come around with good style
But you must have been a fucker with no cunning
Do the bed now, I'm in the mood of passion
I'm gonna rock it, not with the bullshit
I got down kid no abortion
I'm ready to rumble now, like I call "bullshit"

So get up, you gonna ride my baby
So get up, you think ya can ride the bull
So get up, you think ya can ride my baby
So get up, you think ya ride the bull

Come on, ride the pony, get it up
I said, come ride the pony, get it up
I said, ride the pony, gonna get it up
I said, ride the pony, gonna get it up
I said

Kick it in the kitchen
Momma on the bathroom
Batting all bases
And I don't pace it
And I've been passive

Come on, ride the pony, get it up
I said, come ride the pony, get it up
I said, ride the pony, gonna get it up
I said, ride the pony, gonna get it up
I said
Oh

So get up, you gonna ride my baby
So get up, you think ya can ride the bull
So get up, you think ya can ride my baby

So get up, you think ya ride the bull

Come on, ride the pony, get it up
I said, come ride the pony, get it up
I said, ride the pony, gonna get it up
I said, ride the pony, gonna get it up
