Loser feeling in the morning,
Find a feeling in the night.
Don't you know there ain't no warning
When its gone its outta sight.
Everybody's gotta felling even in a border town
Wash your finger before eating
Wash it, wash it, wash it down.

I'm in the Nude (Love)
For (Love)
Love
I'm in the Nude (Love)
For (Love)
Love

Summer baby in the garden,
Standing by a bowl of fruit,
She was pretty as a picture and in the picture she was
cute.
Saw you in a still a baby with the apples and the pears,
I just had to take your picture now I see it everywhere.

I'm in the Nude (Love)

For (Love)
Love
I'm in the Nude (Love)
For (Love)
Love

I've never seen you with your cast off
So take your cast off,
And we can blast off.
I've never seen you with your cast off,
So break the plaster,
And meet master.

Found a lover in the summer,
Lost a lover in the fall,
Winter came and I was sleeping with my feet out in the
hall.
Saw you on the tv mamma you were kissing my best

friend,
Sorry that I fell asleep I hope it had a happy end.

Iâ'm in the Nude (Love)
For (Love)
Love
Iâ'm in the Nude (Love)
For (Love)
Love
