You are the beauty of life
Carry that thought in your mind
Don't ever think you're losing the game

Let all the feelings come out
Scream them out loud you can shout
Don't hold it in, call on his name, name

Beware of lies, it's happy to die, no, no, no
Wait out your strife but don't take your life

In the eye
(In the eye)
Of the fire
(Of the fire)
In the eye of the fire

Yeah, yeah, yeah

Do you feel weak inside?
Sometimes, you wish, you could die
Feels like no hope is ever to be

You have been hurting too long
Why not let God make you strong
He'll lead you to joy, find him and see
Dying isn't the key

Beware of lies, it's happy to die, no, no, no

Wait out your strife but don't take your life

In the eye
(In the eye)
Of the fire
(Of the fire)
In the eye of the fire

You are the seed of life
Give up your pain and your strife
You're better than who you think, you are, by far, no

There is no easy way out
Of the problems you're facing, no doubt
But one thing I know, you don't have to go
Over the edge, there 's a lot you don't know, Jesus
knows

Don't make his dream, the satanic scheme, no, no, no
Wait out your strife but don't take your life

In the eye
(In the eye)
Of the fire
(Of the fire)
In the eye of the fire
(In the eye)

In the eye
(In the eye)
Of the fire
