Acting stupid trough the night  
I am a victim of the light  
We get along so why can't they  
Having fun ouh everyday  
We hit the road to where we flow  
Turn up the music till it blows  
Stay up late for one more shows  
Playing till we hit the floor  
This is how it goes!

(C/O)  
FREE TO SEE  
FREE TO BE WHAT I BELIEVE  
AMBITIONING IS JUZ SOMETHING I DON'T NEED  
AND IT'S UP TO ME! UP TO ME!  
TO BE THE ME  
IN THIS LAST CALL OUT FOR HELP!  
SO

Send the parents out of town  
Chuck a big party just for fun  
Play our song for everyone  
Just don't care if there all gone  
Conversation out off hand  
When old folks just don't understand  
This is not the 80's!  
Nothing gonna change us!

If I carry out this way  
Will you get the picture  
To the life I wanna lead  
Not for tragedy!

I swear this not the answer  
I never get it but I will try  
And I know I never get by  
To another way of life
