Why look so serious
Why try to wanna be
Someone you're not
You're everything I'm not
Why look so serious
Why try to wanna be
Something you're not
And the pleasure
Never makes me understand

Everybody wants somebody (hey hey)
Like a backbone notice never gonna leave this (hey
hey)
Everybody wants to be like you
Back to the same review
Let's do this tonight
Let's make believe that
Nothing's in my way
And this life is just a game
And so
Why look so serious
Why try wanna be
Something you're not
And the pleasure
Never makes me understand

Everybody wants somebody (hey hey)
Like a backbone notice never gonna leave this (hey
hey)
Everybody wants to be like you
Everybody wants somebody (hey hey)
Like a backbone notice never gonna leave this (hey
hey)
Everybody wants to be like you

I swear
It's not the answer
I'll never get it but I will try
And I know I'll never get by
To another way of life
I swear
It's not the answer

I'll never get it but I will try
And this is one thing I won't deny
