Voices land on popcorn alley
And their scraping
Their knuckles for flight.
It's the boy's
Heading down on 5th and Main,
'cause they hear there's
A doubleheader out there tonight.
And the vender man
It Hot Dog Stan
laughing down subway hall in tights
Singing now that everything is all right
Everything is all right,
When the boys come out tonight.
There's a fairy princess
in a tenement tower,
Down on Castle View Way
She hears the boys
As their comin' on down the street
And she says
"Rescue me, 'cause I'm going insane".
And they taker her
On down to the reservoir
where they have holy
Services and rights
She comes up for air
And everything is all right
Everything is all right
When the boys come out tonight.
They got their best shoes on
Hear'm play'n.
Well, the Dean Boys
Come with a knife
At their side
As a sign of last
Desperate relief.
And the femmes,
they are come up
From Pleasant Hill
To see if there's anything
Left for them to defeat
And the Fat Lip Fairies,
From upper state

are laughing their
Ass's off tonight
Singing now
That everything is all right
Everything is all right,
When the boys come out tonight
And the Fat Lip Fairies,
From upper state
Are laughing their
Ass's off tonight
Singing now that
Everything is all right,
Everything is all right,
When the boys come,
when the boys come out.
