Party, party

Let's party

Ooh, Lord now, party

Party, party, party

Let me party with you

Ooh, baby

Party, party, party

Let me party with you

Come on

Party, party, party

Let me party with you

Party, party, party

Let me party with you

I know I didn't come here rich

But I sure love trying to get through

Hey, little girl

Lay your love on me

I know what I'm trying to do

I'm trying to get it on with you

Ooh wee, baby, I'd like

To sweet confession with you

Come, on baby

Just party, party, party,

Let me party with you

You can do it

Party, party, party

Let me party with you

Lay it on, my baby

Party, party, party

Let me party with you

Party, party, party

Let me party with you

Ooh, ooh...
