Come, on baby
Let the good time roll
Come on, baby
Let me thrill your soul
Come on, baby
Let the good time roll
Roll all night long

Come on, baby
Yeah, this is it
This is something
I just can't miss

Come on, baby
Let the good time, roll
Roll all night long

Feel so good, sugar
When you're home
Come on, baby
Rock me all night long, honey

Yeah, yeah, yeah, yeah
Whip it on me now

Feels so good
Now that you're home
Come let me hug you
Come let me kiss you
Come let me see
What I've been missing

Feels so good
Now that you're home
Feels so fine to know
That I'm on your mind

Oh, what a feeling
To know you're revealing
Feels so good
Please don't stop now

Oh, so glad
Now that I've come back home
Yeah, all right, yeah

Don't you know it, all right
Get it, baby

Feels so good
Honey, when you're home
Come on, baby
Rock me all night long, honey

Yeah, yeah, yeah, yeah
Whip it on me now

Come on, baby
Let the good time roll
Come on, baby
Let me thrill your soul, honey
Come on, baby
Let the good time roll
Roll all night long

Come on, baby
Got got got to get it
Oh, yeah, know what I mean

Whip it on me, honey
Whip it, whip it, mama...
