Well, you're the sweetest thing  
That I have ever seen  
I really love your peaches  
Got to shake your tree

Lovey dovey, ha  
Lovey dovey all the time  
Yeah, uh, lovey dovey  
Can't get you out of my mind, yeah

I sigh with the feeling  
When you are near me  
I'm high as a ceiling  
Oh, baby, hear me

'Cause I say that I love you  
No one above you  
Give it up, pretty mama

You're so fine  
You're so fine  
You're mine, ha  
Baby, you're mine  
I hear you, mama

Well, I walk (I walk)  
And I talk (I talk)  
I better, ow, ooh

Honey, I love you  
I love you and I need you  
By my side, yeah

Well, I walk (I walk)  
And I talk (I talk)  
I better, ow, ooh  
Give it to me, yeah

Got to, got to, ooh

Baby, don't you know I need you  
Got, got, got, got to get it, baby

Well, you're the sweetest thing  
That I have ever seen  
I really love your peaches  
Got to shake your tree

Lovey dovey, goo  
Lovey dovey all the time  
Yeah, uh, lovey dovey  
Can't get you out of my

Don't you hear me  
Singing it, baby

(Lovey dovey) ha  
(Can't get you out of my mind)  
Yeah, yeah, yeah  
Whip it on me, lovey  
(Lovey dovey)  
(Can't get you out of my mind)

(Lovey dovey)  
(Can't get you out of my mind)  
Baby, I can't get you now  
Honey, now

(Lovey dovey)  
(Can't get you out of my mind)  
Ah, oh, don't you hear me, woman  
(Lovey dovey) oh, Lord  
(Can't get you out of my mind)

Sometimes thinking about it now  
Sometimes thinking about it now  
(Lovey dovey)  
(Can't get you out of my mind)  
Woman, you don't know
