(Tossin') I can't sleep
(Turnin') feel so weak
(Tossin') Got to stop this
Tossin' and turnin'

(Tossin') did my best
(Turnin') can't get no rest
(Tossin') yeah, yeah, yeah
This tossin' and turnin'

I couldn't sleep at all last night
Ooh, thinking of you, baby
Oh, yeah, honey, things weren't right
No, no, girl, 'cause I was

(Tossin') feel so weak
(Turnin') I can't sleep
(Tossin') yeah, yeah
Tossin' and turnin'

(Tossin') I'm so tired
(Turnin') need my rest
(Tossin') Oh, Lord, now
I'm tossin' and turnin'

Kick them blankets on the floor
Turn my pillow upside down
I never did that thing before
'Cause I was

(Tossin') what you say
(Turnin') what you say
(Tossin') yeah
Tossin' and turnin', yeah

(Tossin') help me, baby
(Turnin') help me, woman
(Tossin')
Tossin' and turnin'

Listen
Jumped out of bed

Turned on the light
Pulled down the shade
Went to the kitchen for a bite

Rolled up the shade
Turned out the light
Jumped back into bed
It was the middle of the night

The phone kept ringing
There was a group out on the corner
Singing, hallelujah
Honey, things weren't right
'Cause I was

(Tossin') what you say
(Turnin') say it again
(Tossin') ain't no sense
In tossin' and turnin'

(Tossin') did my best
(Turnin') can't get no rest
(Tossin') yeah, yeah
Tossin' and turnin'

(Tossin') oh, you know
(Turnin') laying on the floor
(Tossin') stood behind the door
I'm tossin' and turnin'

(Tossin') feel so weak...
