Trapped in a mine what had caved in
And everyone knows the only ones left
Were Joe and me and Tim

When they broke through to pull us free
The only ones left to tell the tale
Was Joe and me

Timothy, Timothy, where on earth did you go
Timothy, Timothy, God why don't I know

Hungry as hell, no food to eat
And Joe said that he would sell his soul
For just a piece of meat
Water enough to drink for two
And Joe said to me, I'll take a swig
And then there's some for you

Timothy, Timothy, Joe was looking at you
Timothy, Timothy, God what did we do

I must have blacked out just 'round then
'Cause the very next thing that I could see
Was the light of the day again

My stomach was full as it could be
And nobody ever got around to finding Timothy

Timothy, Timothy where on earth did you go
Timothy, Timothy god why don't I know

Timothyyyyyyyyyyyyyyyyyyy Yeah
Timothy
Timothy (fade)
