It's so hard to believe people checking for me  
Like you my best friend, I remember last year  
When I was down you weren't there for me  
Now you all up in my face like, what's up B  
Made my mistakes, wish that I could erase  
But nobody's perfect, I learned the hard way  
And now I'm back here to make things right  
\*\*By the way, yeah I'm doing alright\*\*

Times been hard but I'm back to show  
No matter who you are I'm here to let you know

That's it's my destiny to do what I do  
And you thought I wouldn't make it boo

Chorus:

Who can hold it down like me, Burhan G  
Who can make you dance like me, Burhan G (ooH)  
Who makes your girl wanna leave, Burhan G  
WHO CAN MAKE IT BOUNCE LIKE ME?  
Who that new kid on the block, Burhan G  
Making every crew wanna rock, Burhan G  
Look at all them eyes on me  
Who can hold it down like me?

Ever since I was born, I only thought of one thing  
I couldn't even walk only wanted to sing  
And you really ought to realize, this ain't no game it's  
my life  
So fed up with all these people telling me  
Don't do black music, look at the colour of your skin  
But it only made me stronger that you were hating  
made me find my path

Times been hard but I'm back to show  
No matter who you are I'm here to let you know

That's it's my destiny to do what I do  
And you thought I wouldn't make it through

Chorus:

Who can hold it down like me, (oh) Burhan G

Who can make you dance like me, (oh no) Burhan G  
Who makes your girl wanna leave, Burhan G  
WHO CAN MAKE IT BOUNCE LIKE ME?  
Who that new kid on the block, Burhan G  
Making every crew wanna rock, Burhan G  
Look at all them eyes on me  
Who can hold it down like me?
