Move your body to the maximum
Move your body to the maximum
Move your body to the maximum
Move your body to the maximum
Move your body to the maximum
Move your body to the maximum
Move your body to the maximum
Move your body to the maximum

Up against the wall see you drawn to me so sexy
Intimate but raw you're giving it all to me
I'm moving left you're moving right two bodies but
we're so damn tight
Everybody's watching but they can't see the way that
you'll be teasing me

I wanna know, can I get to know ya
Would you let me show ya
How I put it on ya, just let go
I wanna know, is your body ready
'Cause you're looking ready when the night is over
You'll be mine, I wanna know

What you doing with your body tonight
Girl you know you got what I like
Got me feeling like damn, I can't let you go
What you doing with your body tonight
Girl you know you got what I like
Got me feeling like damn, I can't let you go

You pull me close then push me away girl I like the way
you play
Your touch and tease make me wanna please, let me
be your fantasy
Girl you make my nature rise
Never mind them other guys 'cause they can't do you
like I do
