It's been a long time shopping trying to get a deal  
Ain't nothing changed all you haters to try keep it real  
But I'm 'a sing doing what I gotta do  
Ladies gents ya'll ain't even got a clue  
It's been hard try to focus what's inside of me  
Damn hard I ain't trying to blame the industry  
But I'm 'a stay strong making everything come true  
If you believe that you can do it too

Do you know what it feels like  
Do you know what it's like to be me  
Do you where I came from  
Never mind 'cause you can't touch me  
Do you know what it feels like  
Do you know what it's like to be me  
Do you where I came from  
Never mind 'cause you can't stop me
