I know I ain't fair to you  
Waiting round for me to make up my mind  
Know I ain't being true  
When someone else is on my mind  
When you say hey it's cool  
Baby, just take your time  
But how can I be down with that  
When it's killing me inside

It's okay I know you're afraid of falling  
It's okay knowing I'm 'a lead your heart astray  
Knowing that your heart is bout to break  
Still you say it's okay  
It's okay what kinda man would cause you so much  
pain  
Lead you on and leave your heart in pain  
Girl you're bout to make a big mistake  
And it ain't okay

I know it ain't fair to you  
That I can't be the man that you deserve  
Knowing that your love is true  
And I can give nothing in return  
I really wish you were the one  
The one I couldn't do without  
But I never moved on no  
'Cause she's all I think about  
It ain't okay
