You don't drive a big fast car
And you don't look like a movie star
And on your money
We won't get far

But baby, you got what it takes
(Yeah, yeah)
To satisfy
(Yeah, yeah)

You got what it takes to set my soul on fire
(Yeah yeah, yeah yeah)
And whoaaa, whoa-yeah
You got what it takes for me

You don't live in a beautiful place
And you don't dress with the best of taste
And nature didn't give you
Such a beautiful face

But baby, you got what it takes
(Yeah, yeah)
To satisfy
(Yeah, yeah)

You got what it takes to set my soul on fire
(Yeah yeah, yeah yeah)
And whoaaa, whoa-yeah
You got what it takes for me

And when you're near me, ooh-wee
My head goes around and around
And when you kiss me, whoa-yeah
My love comes tumblin' down, you send me

You don't live in a beautiful place
And you don't dress with the best of taste
And nature didn't give you
Such a beautiful face

But baby, you got what it takes
(Yeah, yeah)

To satisfy
(Yeah, yeah)

You got what it takes to set my soul on fire
(Yeah yeah, yeah yeah)
And whoaaa, whoa-yeah
You got what it takes for me

And when you're near me, ooh-wee
My head goes around and around
And when you kiss me, whoa-yeah
My love comes tumblin' down, you send me

You don't live in a beautiful place
And you don't dress with the best of taste
And nature didn't give you
Such a beautiful face

But baby, you got what it takes
(Yeah, yeah)
To satisfy
(Yeah, yeah)

You got what it takes to set my soul on fire
(Yeah yeah, yeah yeah)
And whoaaa, whoa-yeah
You got what it takes for me

Whoa-yeah
You got what it takes for me
Hmm
You got what it takes for me

No need no
If I close
But you got what it takes for me
Hmm, you got what it takes for me
