And a bird of prey's flying above  
Protects the spirits of the dead  
Crimson wings cut the bloodred sky  
Gaia swallows their souls of black

On Acheron they shall sail  
Longing for the clutches  
Enjoy the nasty pleasure of pain  
Agony in gory cages

No money for the ferryman  
Wisdom shall be the wage  
Cruisin' on waves of boiling stone  
Expect the dark and enter Hades

Deicide is no crime to recognize the truth  
The killin' hawk I see is the angel of death  
Genocide's no crime to reach eternal youth

The heaven is orphaned now  
No holy town was built

Thy horned lord enters the throne  
And crawling life he kills

A new race creation in tyrant's reign  
Denies the deceivers cross  
Even rejects the wicked Lord  
Evil apparition, unstoppable curse

A source of blood in the garden of Satan  
Easing the thirst of the damned  
Feed the demon's serpent  
Let the procreation end

Enslave deceiving beings  
Suffer extermination  
See, thy world dying  
Listen to my dark revelation

Enslave the holy men  
Brought you extermination

See, thy world is burning  
Read the book of dark revelation
