

Burn In Silence **"Judging Hope"**

Visit "[Judging Hope](#)" on MotoLyrics.com

When all else fails... it means hope dies
everybody, look around and be sure what you've

done
can satisfy your empty heart
without suspicion, a starving man will finish
what he starts
cause he has nothing left to lose
when all else fails it means hope dies
I'd give anything for you to
be judged based on your deeds
judge not lest you be judged
everybody, look inside and make sure

what you've said
can be received the way you meant
no hesitation, I stand strong behind what
I believe
I see with speculation as to what you are
I will not pass judgement on you
your apprehension has given me reason not to

judge
I will not pass judgement
when all fails it means hope dies
I'd give anything for you to
be judged based on your deeds
