Soon I will be falling down  
The way I always  
And I remember falling  
And I remember crawling...

Still I'm falling...

Have you come down  
From all the peeling?  
'Cause I remember holy  
And only God can save me

Still I'm falling...

This is the last time I'll speak of holding you

Take this from me and take it before it dies  
'Cause this is the last time I'll speak of...holding you

Still I'm falling...

This is the last time I'll speak of holding you

And you get up and you fall down  
You get up and you fall down  
You get up and you fall away

You get up and you fall down  
You get up and you fall down  
You get up and you...you get up and you...fall
