And in the harbor she sleeps on her anchor waiting
direction.

Then through the storms we align life and search
forever after.

So we gather our way to answer all of our failures
With hope and redemption.
Rest inside the flames.

Continue the chase through the darkest.
Across the mouth and into this ocean
We see through skin to never forget.
When all hope is lost
Hearts turn to lock
Set your sights to improve.

We gather our way to answer all of our failures
With hope and redemption.
Rest inside the flames.

Continue the chase through the darkest.
Across the mouth and into this ocean
We see through skin to never forget.
When all hope is lost
Hearts turn to lock
Set your sights to improve.
Set your sights to improve

Don't let the lights turn out.
This watery grave, inside every page.
Avoiding, avoiding.
Don't let the lights turn out
Don't let the lights turn out
Don't let the lights turn...

Across the mouth and into this ocean
We see through skin to never forget.
When all hope is lost
Hearts turn to lock
Set your sights to improve

And Rest Inside The Flames.
Rest Inside The Flames
Rest Inside The Flames
Rest Inside The Flames
